Attention Mr. C. C. Powell.

Re Mitford Marsh, Secs. 6, 7 and 8, Tp. 16, Rge. 15, W. 4th M.

In compliance with your request, attached hereto please find a copy of the fifth edition of the plan of Township 16, range 15, west of the 4th meridian, approved and confirmed by the Surveyor General on the 17th October, 1928, which is the latest plan of survey of this township, and shows as surveyed parts of sections 6, 7 and 8, forming a part of Mitford Marsh, which were not so shown on previous editions of the plan. The lands in question are shown coloured in pink on this plan.

I have attached a copy of this plan to the file for each quarter-section in question, and have shown coloured in pink the accrued surveyed lands for that quarter-section on each plan.

Should it be decided to bring the accrued surveyed lands in question available for entry, it is presumed that they will be posted for thirty days in accordance with the requirements of the Dominion Lands Act.

Plan moved up under memo. 20/2/30.

in order to round out his holdings. In this connection the Inspector should furnish a valuation on any lands which in his opinion should be disposed of to the riparian owner of the patented portion of the several quarter-sections affected.

Your obedient servant,

Acting Commissioner of Dominion Lands.

SW¼ 8 - H.B.C. Grant

Accrued area - 90 acres.

Except in the case of the South East quarter of Section 7, Township 56, Range 15, West of the 4th Meridian, the whole of which is undisposed of and reserved for hay at present, it is considered advisable to make suitable disposition of the remainder of the fractions concerned and I am therefore to request you to procure a historical Abstract of Title in respect to the patented areas in order to obtain the names and addresses of the registered owners thereof.

In the case of the North West quarter of Section 7, ten acres of which has been entered for by G.D. Johnston as a soldier grant, if the man is in residence the Department would be prepared to consider his application for the inclusion of the balance of the quarter-section in his entry.

In the case of the North East quarter of 7, Mr. R.D. Hughson would on application be entitled to a supplementary grant of letters patent free of charge provided he is still the owner of the patented portion of the quarter-section Crown-granted to him as a homestead.

With regard to the hay reserve on Section 7, you might let me know how many hay permits (with tonnage) have been applied for since the Department wrote you in April 1927 on File 625287 T&G.

Homestead Inspector Cunningham reported in a general way in regard to Whitford Marsh in November 1927 but it would be advisable to have a more comprehensive report in respect to each quarter-section with particular reference to the question of continuing the reservation of any portion of Section 7 as a hay reserve. It might be considered in the public interest at least in so far as the South East quarter of the said Section 7 is concerned.

With regard to Section 8 I would refer you to Departmental letter of the 10th September, 1919, your Reference 2919, addressed to R.L. Hughson, wherein he was granted permission to purchase certain accrued areas then of record at the price of $6.00 per acre. In so far as the Department is aware the option was never taken up nor has anything been paid on account of the purchase price, and the whole question might be discussed by the Inspector with Mr. Hughson, and also whether he would be now prepared to purchase the additional accrued areas in Section 8 which are now available

Sir,

On the 2nd of November, 1927, Mr. Inspector Cunningham furnished a report with respect to the accrued area in Whitford Marsh situated in Township 56, Range 15, W.4th. The Inspector reported on the situation in a general way but it is deemed advisable that a more comprehensive report be obtained in respect to each quarter-section with particular reference to the question of continuing the reservation of any portion of Section 7 as a hay reserve. It might be considered in the public interest, at least in so far as the E.½ of the said Section 7 is concerned. Will you please therefore, at the earliest possible date, furnish a full and careful report in the foregoing connection.

I would also say that Mr. R. L. Hughson, Whitford, was given permission to purchase certain areas formerly covered by water in Section 8-56-15-W.4th at the rate of $6.00 per acre, the land formerly submerged comprised in the following portion of the Section containing a total area of 83.50 acres:

The E.½ of L.S.1, the E.½ of the N.W.¼ of L.S.1, the N.E.¼ of the S.W.¼ of L.S.1, the N.½ of the N.E.¼ of L.S.6, the N.½ of L.S.7, the N.½ of the S.E.¼ of L.S. 7, L.S.8, L.S.11, the E.½ and S.W.¼ of L.S.12, the E.½ and N.W.¼ of L.S.13.

In so far as the Department is aware the option was never taken up nor has anything been paid on account of the purchase price and you might discuss the question with Mr. Hughson and also whether he would now be prepared to purchase the additional accrued areas in Section 8 which are now available in order to round out his holdings. In this connection you should furnish a valuation on any lands which in your opinion should be disposed of to the riparian owner of the patented portion of the several quarter-sections affected.

A. Norquay,

In arriving at a final settlement of the Hudson's Bay Company's land account they were furnished on the 9th October, 1925, with a schedule of fractional townships in which the allotment of one-twentieth was proposed to be made. This schedule included 65 acres in the South East Quarter of the above mentioned section and the Company was advised on the 5th February, 1926, after exchanges of correspondence between the Department and the Company that the South East Quarter of the Section was included in error and that the area of 65 acres should be deleted from the schedule.

A plan dated 1st March, 1926 for three portions of the South East Quarter of Section 3 as shown outlined in red on the sketch plan accompanied your letter of the 22nd July last.

The North half of the South East Quarter of Legal Subdivision 6 appears to have been excluded inadvertently from this patent because it was not shown on the plan. All the earlier [illegible] plan. Purpose: ---------- Not stated.

He has applied for patents to these lands as shown on forms Nos. [illegible] hereunder signed. Apparently the duties have been completed in a satisfactory manner, and the application has been accepted, but in view of the above mentioned loan, he was advised that patents could not issue in his name until his indebtedness to the Board was repaid in full.

In a memorandum hereunder dated the [illegible] inst. the Soldier Settlement Board reports the receipt of an application from the entrant to have patents for these lands issue in favour of the Board, and it is pointed out in the memorandum that this would enable the entrant to complete a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patents for these lands issue in the name of the Board.

In 1920 I was compelled to return to Homestead and stay on by the Dept. tried to get off until June so would be able to get necessary stock etc. if was allowed to work rest of Winter whereas all could do after arriving until snow went off in May was use what money we had saved for Machy and stock to eat on I brushed what I could in snow three feet deep therefore making it necessary to go out again in 1921.... In 1921 work was scarce In 1922 staid on place and tried to make it go but owing to being so short of funds went in debt and Feby First 1923 had to ask off again and go to work for the Canadian National to pay debts and try again to get a start on homestead..... I have in September arranged with a man Mr Haight to break 20 acres and am getting Mr Haight to break 20 acres in 1924.....We am trying our best to make it go but owing to financial circumstances etc. has been pretty hard as there is no roads and the E.B.& B.D.Ry. charge such an enormous freight rate it is impossible to compete with outside markets at present time.

LAND PATENTS BRANCH

OTTAWA, 15th October, 1917.

Copy for A.D.L., Fort Qu'Appelle, Ref. 62268.

Gentlemen,

Replying to your letter of the 1st instant requesting my consideration to be permitted to purchase the S.E. ¼ of Legal Subdivision 11 only in lieu of Legal Subdivisions 11 and 12 of the S.E. ¼ of section 32, Township 18, Range 24, West of the Fifth Meridian, I beg to say that in view of the circumstances, it has been decided to accede to your request and that you may now purchase the said S.E. ¼ of Legal Subdivision 11, containing 80 acres, at the rate of $10.00 an acre.

Either the whole of the purchase money should be remitted to the Agent of Dominion Lands, Fort Qu'Appelle, to whom a copy of this letter is being sent for his information, on or before the 31st proximo, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. On any overdue instalments, however, the interest to be charged will be at the rate of 7% per annum.

Attention is also called to the fact that, in the event of a difference in the area of the said land, before the issue of a patent therefor, being shown on a later plan of survey than the one now in use, either in the increase or decrease of the present area, such later plan shall govern in determining the payment for the land in question.

I may add that the sale of the said land will be subject, prior to the issue of letters patent therefor, to the right of the Province of Alberta to take for road purposes, without compensation, such lands as may be required, not to exceed...

Canada.

OTTAWA -16th March, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a .

Sir,

[illegible]

From the Board's letter of [illegible] it will be noted that [illegible] has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler dated the 17th January, copy of which is attached hereto.

We are now in receipt of an application from Mr. Lowe, requesting that patent to his homestead should be issued in favour of the Board. Mr. Lowe states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler dated the 17th January, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1923 (P.C. 1054) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the homestead [illegible] in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E. ¼ of [illegible] with m. be vested in the Soldier Settlement Board. The vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

[illegible]

CHAIRMAN.

H.M.-

Sir,

I am directed by the Lords Commissioners of the Treasury to transmit herewith, for your information, a copy of a Letter from the Treasury, dated the 4th instant, stating that the Minister having advised the Vesting Authority in the matter, their Lordships have no objection to the Vesting Order in favour of the Trustees of the Will of the late [illegible] being made by the Court, if the Court should think fit.

Further communications on this matter may be addressed to the Treasury, and the enclosure returned when the case is finally disposed of.

I am, Sir,
Your obedient Servant,

Deputy Minister.

File No.385[illegible]-2

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1918.

The Committee of the Privy Council have had before them a Report, dated 28th August, 1918, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 124 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed memorandum, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 19th March, 1919, P.C. 433; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 18,130.83 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

the Minister of the Interior.

Sir,

[illegible] 1--7--[illegible]. 4th M.

I beg to acknowledge receipt of your statutory declaration of the 19th ultimo enclosing form No. 46, and in reply to say that after giving your case careful consideration, it has been decided to allow you to make fresh entry for the land above described without payment of a new fee, the fee which was paid by you on the 10th May, 1920, being applied thereon, as the amount paid should have been refunded to you at date of cancellation instead of being retained in the Department.

According to the information furnished in your statement, you have performed no residence that could be counted to your advantage, and by making new entry you will be in even a better position in so far as residence is concerned than if your entry were restored. The cultivation duties already done on the land may be counted to your advantage.

It will, therefore, be necessary for you after you make new entry to go on the land and complete the requisite term of six months residence duties in each of three years.

You will be allowed a period of sixty days from this date within which to complete your entry for the land in question before the Agent of Dominion Lands at Peace River or the Sub-Agent for the district. A copy of this letter is being sent to the Sub-Agent at Donnelly for his information.

I beg to acknowledge receipt of the application you made before the Sub-Agent of Dominion Lands at Dawson for permission to take up a second homestead and to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Upon examining the evidence contained in your application for patent for the N.W. above described it is found that you did not perform sufficient settlement duties prior to the 1st January, 1918, to have entitled you to a patent for the land before that date. It is regretted, therefore, that under existing legislation there is no way in which you can be permitted to secure a second homestead on Dominion Land.

Your obedient servant,

Acting Commissioner of Dominion Lands.

25th July, 1929.

MEMORANDUM:

S.E.¼ 10--78--20 W.5th Mer.
Patented homestead - Gedion Nadeau

The Acting Deputy Minister has called for a report in reference to the application of Gedion Nadeau of Donnelly, Alberta, for permission to obtain entry for a second homestead under the amendment to the Dominion Lands Act of 1928. Your reference #7436.

Mr. Nadeau supports his application in this connection on the grounds that he originally obtained entry in 1919 and that but for the cancellation of such entry he would have completed the duties to entitle him to patent prior to the 1st of January, 1927.

This land was posted in September, 1918, for soldier settlement, and a reservation for drainage purposes was set up in February, 1919. However, overlooking this reservation, the Agent of Dominion Lands at Peace River granted Mr. Nadeau entry on the 19th of May, 1920.

The Agent's attention was called to the error and he forthwith cancelled Mr. Nadeau's entry in July, 1920.

The drainage reservation was withdrawn in October, 1923, and the land posted. In April, 1924, Mr. Nadeau executed a declaration to the effect that since the cancellation of his entry (concerning which no refund had been made him of the fee of $10.00) he had continued to improve the land and desired to be permitted to retain the same. In support of this request evidence was submitted to the effect that Mr. Nadeau had resided on the land for a period ranging from three to four months in each of the years 1921, 1922 and 1923, his improvements consisting of fifteen acres under cultivation at a cost of $22.00 per acre or a total value of $330.00; house, value $300.00; stable, value $100.00; fencing, value, $85.00 and clearing at a value of $60.00.

It was decided to allow Mr. Nadeau entry without payment of a new fee, and he was further informed that it would be necessary for him to complete the requisite term of six months residence in each of three years. Entry was made accordingly on the 2nd of June, 1924, and patent issued in his favour on the 26th of December, 1927, on satisfactory proof of duties subsequent to date of entry.

Mr. Nadeau wrote the Department in September last with regard to his right of second homestead entry, and he was advised that whereas he did not perform sufficient duties to entitle him to patent for the land on

or

or before the 1st of January, 1925, he was not eligible.

Mr. Nadeau has now appealed to the Department through Mr. L.A. Giroux, M.L.A., of Edmonton, and has submitted a memorandum claiming certain vicinity residence in the years 1920, 1921, 1922, 1923 and 1924 in addition to the actual residence performed on his ~~former~~ homestead in 1921, 1922 and 1923 previously referred to. It is represented that the vicinity residence was performed with his brother, Emile Nadeau, on the North-East quarter of Section 13, Township 78, Range 21, West of 5th Meridian. However, the file for this land reveals no evidence of residence on the part of Emile Nadeau on his homestead subsequent to the date of his application for patent, the 9th of September, 1921.

Providing it is established by sworn testimony on the part of the Messrs. Nadeau that they maintained a reside on the land of Emile Nadeau subsequent to September, 1921, for a sufficient length of time to credit both Nadeau with the performance of six months residence in each of three years prior to the 1st of January, 1925, the Department would think be justified in allowing the credit for such residence to enable him to qualify for second homestead entry.

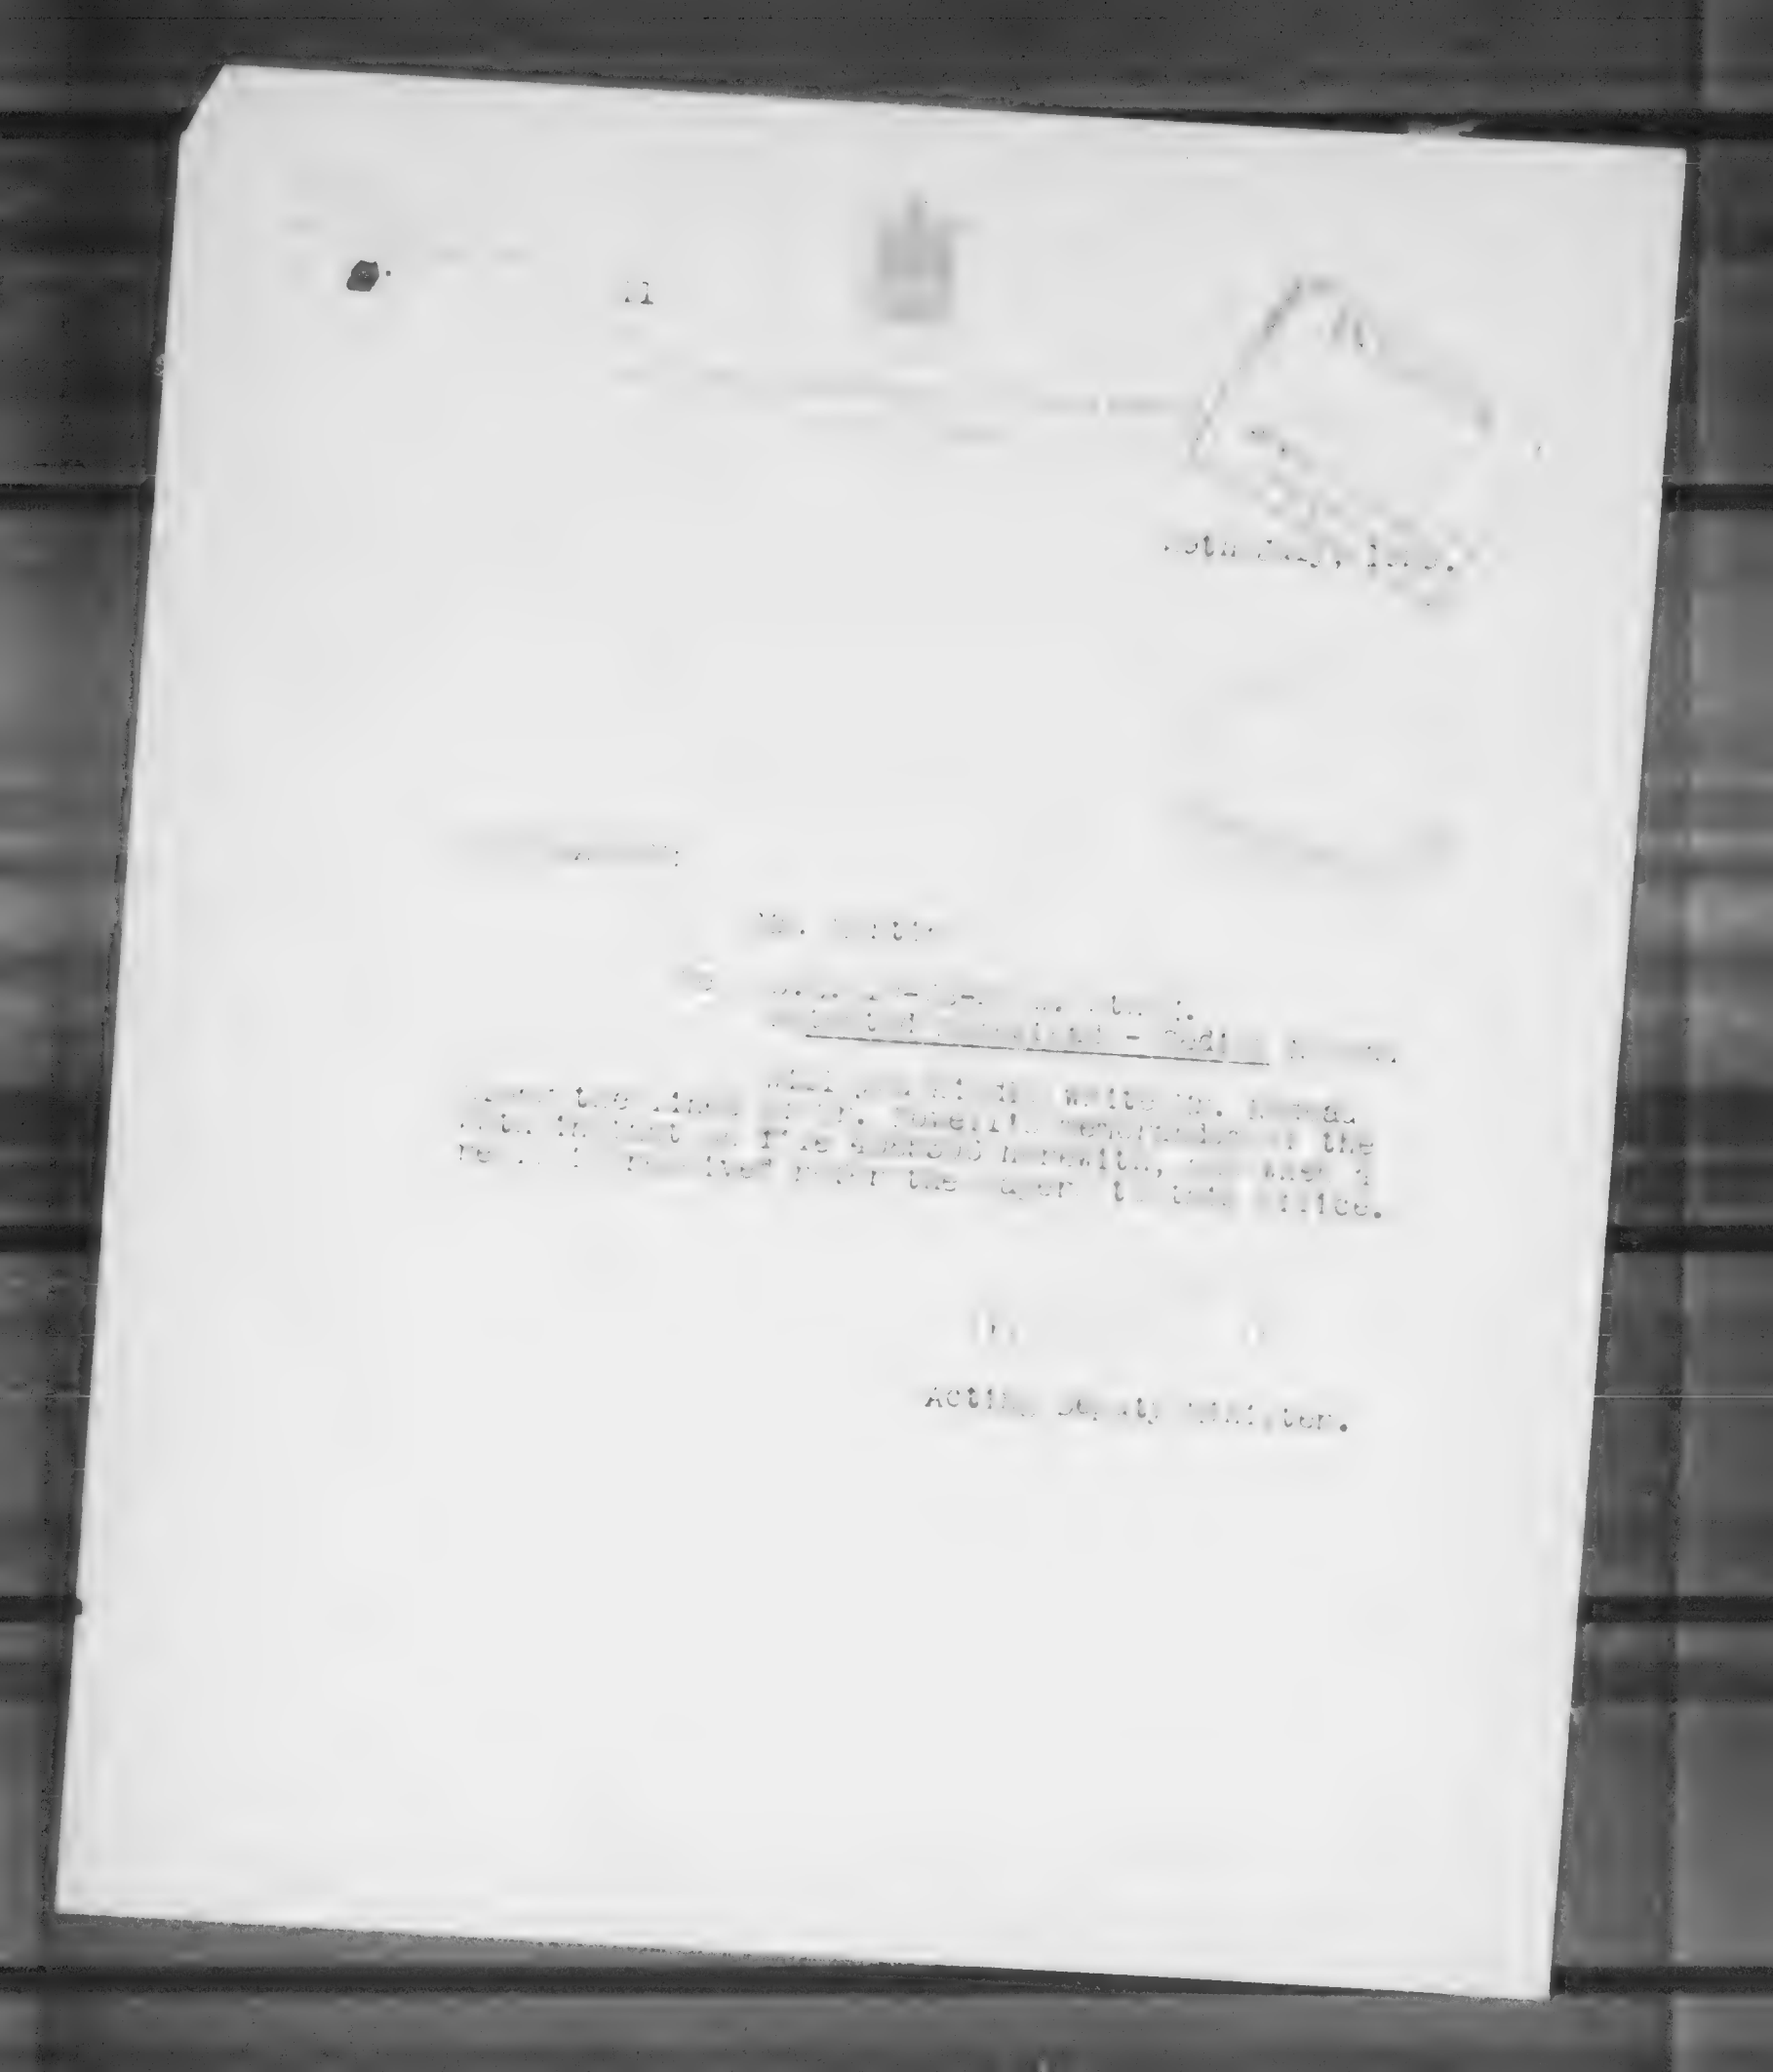

There is, however, the further question of cultivation to be considered.

According to the Inspector's report of October, 1927, filed in support of Mr. Gedion Nadeau's application for patent, the entrant was credited with the following cultivation;-

1924, broke 11 acres, cropped 11 acres,
1925, broke 5 acres, cropped 16 acres,
1926, broke 9 acres, cropped 25 acres,
1927, 25 acres summer fallowed, value $125.00.

On the other hand although 160 acres of the quarter-section is reported to be suitable for cultivation, Mr. Gedion Nadeau owned an average of ten head of stock in the years 1924 - 1927 inclusive, and providing he was the owner of a like number in the preceding years - 1922 and 1923 it might be possible to pass him on a combination of stock and cultivation.

Under the circumstances, I would suggest that Mr. Nadeau be communicated with and advised that on receipt of evidence of the performance of residence and cultivation and ownership of stock as outlined herein, his application will be given further consideration.

Sir:

S.E.¼ 1--7---W. 4th Mer.
Peace River - Coal Lands

In reference to your application [illegible] for the [illegible] in the matter of your application for [illegible] under the provisions of the [illegible] of 1919, I am to say that it appears from the sworn statements submitted in connection therewith, that you have not resided upon the land since the date of your entry, while [illegible] for patent, [illegible] for patent for [illegible] have not been complied with.

There is no evidence of any residence having been performed by your brother, while, as the improvements set out in his application for patent, which can make up the [illegible] of entry, [illegible], and as much will depend upon this I would suggest that you and your brother furnish [illegible] of whatever residence was performed on the land subsequent to that date, and have the same corroborated by two reliable and disinterested witnesses, as in the case of the original application for patent.

With regard to the cultivation duties, it appears that up to the 1st of January, 1929, you had only eleven acres broken and cropped at approximately $1.00 per acre, this is insufficient. On the other hand, providing you were the owner of the required number of livestock, and maintained them on the land in 1928 and 1929, it may be possible to accept a combination of stock and cultivation, and under the circumstances you are at liberty to incorporate the facts in the statement to be submitted.

This form is forwarded in duplicate for the convenience of your office, so that when the particulars have been noted thereon one copy may be returned here, the duplicate being retained by you for record.

I.C.1644 File No.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 15th September, 1917.

The Committee of the Privy Council have had before them a Report, dated 25th August, 1917, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 26 of the Revised Statutes of Canada, 1917, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 20th October, 1916, P.C. 2484, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain open to entry by the ex-soldiers only, or may be leased under rules to be approved by the Governor in Council;

That application has been made for the issue of title in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the annexed schedule, comprising an area of 160.00 acres, be granted to the Soldier Settlement Board of Canada in trust of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

Dear Sir,

Re Homestead.

I have received your letter of the 2nd instant, and in reply thereto I beg to say that I have had a conversation with the Agent of Dominion Lands at Dauphin, and he informs me that he has written you fully in the matter, and that he has explained to you that you have not complied with the homestead regulations, and that you will be required to do the necessary cultivation before you can obtain your patent.

I am sorry that you have been misled by the statements of the Agent of Dominion Lands at Dauphin, but I am afraid that I can do nothing in the matter.

Yours truly,

Deputy

The Committee of the Privy Council have had before them a report, dated 23rd September, 1920, from the Minister of the Interior, submitting that Mr. George Best was granted a homestead entry for the north west quarter of section 5, township 73, range 21, west of the 4th meridian on the 4th September, 1914.

Mr. Best received an unconditional [illegible] on the 14th June, 1919, with his improvement, [illegible], and erected a dwelling house valued at $75, [illegible] acres of which he broke and cultivated 5 acres of [illegible] at an approximate cost of $15 per acre for breaking and cleaning the land.

The following certificate has been received from Doctor W. J. Macdonald, dated the 17th November, 1919:

> "Mr. George Best of D.S. 6-73-21, in Lytle District, is suffering from heart trouble; he is an old man (83 years) and is living alone; he is in such condition that he should be in a home with a reasonable amount of comfort and someone to look after him. If left in present condition, I would not be surprised if he were found dead in the shack at any time".

Under the circumstances, the Minister recommends that the residence requirements of the Dominion Lands Act be dispensed with in connection with Mr. Best's homestead entry for the north west quarter of section 5, township 73,

range...

Range 11, West of the 6th Meridian, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. West for his homestead upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

13th December, 1921.

Sir,

[illegible]

I have a copy of your communication of the 17th ultimo addressed to the Chief, Department of Lands for Mines, Peace River, in connection with the entries of [illegible] and [illegible] and [illegible] of [illegible].

On the 19th [illegible], 1918, the [illegible] made application [illegible] allowed on Sept. 1, and issued his [illegible] of 32 as his soldier grant entry. This entry was stamped by the agent of [illegible] at [illegible] and being received at [illegible] on the 5th September, 1918. The same [illegible] accepted an application from Mr. Calloway, on the same date on Form 1 for the [illegible] of 31 which he described as Mr. Calloway's homestead. This entry does not bear the agent's stamp.

The agent's returns dated the 7th October, 1918, reversed the description of the entries as shown by the [illegible] grant and described the [illegible] of 31 as Mr. Calloway's soldier grant and the [illegible] of 32 as his homestead.

It would appear that the interim receipt for the homestead and certificate for the soldier grant would plainly establish as to which is the homestead and which is the soldier grant. If, therefore, you will procure and forward to this office these two documents for perusal you will be further advised. If it is shown that the [illegible] of 31 is his soldier grant permission, if desired, will be allowed the entrant to interchange his entries.

Your obedient servant,

H. E. Hume,
Chairman, Dominion Lands Board.

I beg to enclose a declaration from Mr. Richard Callaway asking that his soldier grant and homestead entries for the above land be interchanged.

There was some confusion in the file records of this Office as to the land held under Soldier Grant and homestead by this man. On reference to the Agent of the Department of Lands and Mines of the Provincial Government at Peace River, he informs me that the entries under the receipts issued and his Township Register, as follows;

N.W.¼-32-78-20-W.5. Hd. R.Callaway 5th.September 1918.

Harvey T. Bartlett (dec'd).

Application to have patent for this land vested in the Soldier Settlement Board under Section 37 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, George V. Delivered Exec.

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount of loan.....$2784.77

Purpose - Stock and equipment... 2128.20
Permanent improvements... 211.30
Special advances... 445.27

Amount outstanding..... 1600.00
Sale price..... 1960.00

The Board holds no other land security.

The Board reports that this settler died on the 13th November, 1925, after a protracted illness. His widow was not in a position to carry on the farming operations, having one daughter at present in a sanatorium and two small boys both of whom appear to be tubercular. The loan was placed adjustment and every effort made to persuade Mrs. Bartlett to take out Letters of administration, but without success. On the 16th February, 1927, a Thirty Day Notice was addressed to Mrs. Bartlett, the Western Trust Company and the heirs and personal representatives of the entrant. No defence was filed.

The Board further reports that the property has been allocated, under the British Family Scheme, to one George Robert Turner. The sale price of the half section has been fixed on the 27th August, 1926, by the Advisory Board, as provided by the Regulations, at $1960.00, plus $1000.00 to be expended for improvements. It will be noted that after discharging the amount of the late entrant's indebtedness, there will be a surplus in this case amounting to $360.00. The Board has advised the Department that any surplus which may be realized beyond the amount required to recoup the Board will have to be refunded to the legal representative

In view of the evidence furnished by the Inspector please say if the entrant is to be allowed the privilege of substituting stock in lieu of cultivation as a special case.

Improvements on homestead:

30 rods rail fence, value $6.00

Cultivation: 1920-broke 5 acres. Gone back to sod. Value nil.

General Remarks:

"With regard to the question of the entrant substituting stock in lieu of cultivation, I beg to say that there are an open area of [illegible] acres excellent high dry prairie land on this ¼ section. The entrant has cleared small patches of willow, but without this I consider he could easily have broken to the extent of [illegible] acres at the very least."

The same inspector reported on the soldier grant entry on the same date as follows:

Improvements: Log and frame house [illegible].
Log stable [illegible].
Half mile fencing, rail and waste [illegible].
Well $50.00

Cultivation: nil

Stock: Since 1919 has had from 15 to 25 head of horses and cattle.

General Remarks:

"With regard to the entrant substituting stock in lieu of cultivation, I beg to say that there is an open area of 45 acres of excellent high dry prairie land on this ¼ section. The entrant has cleared some small patches of willow, but apart from this I feel satisfied he could have [illegible] 35 acres of breaking without clearing.

"In connection with this entry he holds the N.E. of 13-74-21 W. 5th.

"All the fencing on both these sections runs from the N.E. corner south 100 rods to the Whitemud creek.

"I feel in connection with both these ¼ sections that I cannot recommend the substituting of stock.

"Possibly the officials might, owing to the long distance (36 miles) from a market see fit to allow the entrant to prove up the N.E. ¼ under the stock provisions provided it was fenced with a substantial wire & post fence on all sides, and the S.E. ¼ under the cultivation clause.

"On the 14th inst. I called at the S.E. 17-77-20 W. 5th to interview Mr. Hurtees but he was not at home."

Soldier Grant - John Surtees.
Entry granted 16th June, 1919.

The entrant in this case has secured a loan from the Soldier Settlement Board on the security of this land.

Mr. Surtees is desirous of being allowed to substitute stock in lieu of cultivation on the half-section.

In a statement made by the entrant he claimed residence on his soldier grant entry as shown on Form [illegible] hereunder. He also claimed five acres broken on the homestead which was in crop in the years 1922, 1921 and 1920 and stock on the homestead and soldier grant since 1919 as shown on the Form referred to above. It is also noted that he claimed eighty-five acres cleared and grubbed ready for breaking at $3.00 per acre, value $255.[illegible].

In a statutory declaration executed by Mr. Surtees dated the 27th April, 1923, he stated that owing to the considerable distance from elevator and railway (35 miles) and difficult roads, the heaviest load that could be hauled up the little Smoky Hills being [illegible] hundred pounds in dry season, and roads for about eight months being impassable with wheeled vehicles, he considered the land more suitable at present for ranching than for farming and asked to be allowed to apply for patent under the stock clause if possible.

Inspector Hoy reported with respect to the homestead on the 10th ultimo as follows:

Residence: At present residing on S.E. ¼ 17-77-[illegible] W. 5th M.
Residence on Soldier Grant as follows:
August to 1st December, 1919.
April, 1920, to 31st March, 1923.

OTTAWA -

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties complied by a Land settler.

Re: James Taylor Henry,
N.W. [illegible] W.4th M. (Sask.)
S.E. [illegible] W.4th M. (S.C.)

The above-described lands are the unpatented homestead and entry of the settler.

On the 4th June, 1921, P.C. [illegible], enacts the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler was requested that title to the land be issued to the Board. There is nothing on file to show that he completely discontinue his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W. [illegible] W.4th M. and the S.E. [illegible] W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 21 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A Vesting order for execution is attached hereto.

Deputy Minister of the Interior,

Sir:-

Please note in your records the reservation of lands in connection with the Shoal Lake Drainage Project, in townships 60 and 61, ranges 3 and 4, west of the 5th meridian, as shown in the schedule herewith.

I beg to advise you that reservations placed against homesteaded lands will not affect any rights to which the entrant was entitled at the time of entry; but in the case of cancellation or abandonment such lands will be reserved for reclamation by drainage. For this reason it is requested that, after receipt of this, our notice of reservation, you will not accept from any private individual any application for inspection with a view to cancellation proceedings; provided, however, that if such application shall have been received on a date prior to that of our reservation, then such case shall be dealt with in the usual manner.

On receipt of such an application for inspection, you should inform the applicant that his request has been forwarded to Ottawa for consideration, and at once notify the Dominion Lands Branch, which will take the matter up with the Reclamation Service. You will then be notified whether or not such an inspection shall be made, whether the reservation shall be continued and the possible cancellation proceedings be on behalf of the Crown, or whether the land may be released from reservation in favour of proceedings by the individual. In any case a notation of the application might be made, in order that the applicant may be advised should the land subsequently become available.

Memorandum:

The point raised in the Memorandum of [illegible], is seemingly the failure of the Agent at Calgary to have had the Department's regulations strictly adhered to. Mr. Daly is of the opinion that Sub-Section 1 of Section 11, of the Act, may give power to cancel an entry on the ground of fraud or collusion, and that it [illegible] must be largely a matter of policy.

I do not think it would be advisable to disturb the entries which have been granted, but our Agent might be informed that in future the Department requires a strict adherence to the Regulations.

Respectfully submitted,

(Sgd) W.W. Cory.

Honourable Arthur Meighen, K.C., M.P.,
Minister of the Interior,
OTTAWA.

I have read this report in full and think Mr. Marvie's suggestion is likely best--to cancel all entries and turn land over to the S.S. Board.

Re: Clyde N. Spangler,
N.E.¼ 36-37-11 W.5th (Hsd.)

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in cash [illegible] the purpose secured thereby from the Board [illegible] as follows: [illegible] improvements $257.42; [illegible] purposes $ [illegible]; stock and equipment, $ 15b; special survey fees, $ [illegible]. As security the Board has a charge on the settler's homestead. There is another [illegible] security held by the Board in this case as the S.W.¼ [illegible] has been sold.

This settler is an employee by [illegible] and left most of his time working out and his wife ran a restaurant in Drumheller, Alta. In September 1927 the settler sold his stock and equipment and requested permission to rent his farm for three years. It was subsequently discovered that the settler intended moving to the United States and the Board had no other course, therefore, but to institute adjustment proceedings. Thirty Day Notice was addressed to the settler on the 23rd May, 1928. No defence was filed by him.

After crediting the sale price of the S.W.¼ 16-37-11 W.5th the settler's indebtedness to the Board amounts to $1947.75. The homestead was appraised in November last at $500.00. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as $1304.42 of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

Deputy Minister of the Interior,
O t t a w a.

Title to the above land has been vested in the Soldier Settlement Board under the provisions of Section 47 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. V.

Kindly have the necessary action taken to have patent for this land issued in the name of the Board, and this entry above described cancelled in your records.

Sir,

[illegible]

[illegible] appears on the official plan dated January 17, 1927, which was used in issuing patents, and on the plan dated February 14, 1924, that the areas according to the former plan and the areas that would have appeared upon the latest plan if the issue had not been patented prior to its issue.

D.L. Evans, D.L.S. who made the survey shown on the latest plan reported with reference to section 6 that in his opinion the original survey was correct at the time it was made and that the change to the position shown by the new survey had been caused. It is reasonable to believe that the conditions in section 3 are similar.

It is suggested that Mr. O'Meara be informed that the Department will not be in a position to determine the action to be taken in this case until the decision of the Court is received in the action now pending between the City of Edmonton and the owner of Lot 31 in Edmonton settlement, which will have a bearing on cases of this nature.

Sir,

S.W.¼ 3-[illegible]-1-W.5th M.

With further reference to your letter of the 5th October last stating that Mr. Alfred Fitzer Cannon is the registered owner of all the portion of the above-described quarter section lying [illegible] of the Beaver River as shown on the plan of the [illegible] survey of the 15th January, 1907, comprising 73 acres more or less, and enquiring whether Mr. [illegible]'s certificate of title issued by the Registrar [illegible] be altered so that it would cover all the land [illegible] of the river without reference to any particular plan or township plan, I beg to say that there appears to be no authority under which the Department could alter the certificate of title as desired. It is to be pointed out in this regard that all the dry land in this quarter section as shown upon the township plan dated the 15th January, 1907, referred to, passed from the control of the Crown upon the issue of letters patent bearing date the 15th May, 1907, and the 11th June, 1901, respectively.

Sir,-

Re S.T. 3-36-1-W.4th M.
A.P.Osmond.

With further reference to your letter of the 7th of February last with respect to the accrued area in the part of the above quarter section lying south of the Red Deer River, I beg to say that after careful consideration of the position of the titles covering the land in the quarter section, the conclusion has been reached that the only way in which the Department could assist Mr. Osmond would be to consider an application from him to purchase the accrued land in the South half of the quarter section, containing 19.8 acres. The accrued area consists of a portion of the old river bed and does not, therefore, encroach on any portion of the land in the quarter section which was patented to the C.P.R. Company, and which is now owned by Mr. Maxwell Edgar.

Accordingly, if Mr. Osmond will make application to the Department to purchase the said 19.8 acres, and at the same time forwards here an Abstract of Title or his duplicate Certificate of Title showing the patented land in the quarter section south of the old course of the river to be registered in his name, steps will be taken to have an Inspector report on the application and place a valuation on the accrued land. In the meantime no definite assurance can be given that a sale will be made. Should Mr. Osmond forward his duplicate Certificate of Title it will be returned after it has served the purpose of the Department.

It may be added that it would be out of the question to consider a sale to Mr. Osmond of any of the land in the North half of the quarter section south of the present course of the river, unless the patented land within these limits were revested in the Crown in the right of the Dominion by duplicate Certificate of Title, free from encumbrances.

There is no provision in the Dominion Lands Act under which a free grant might be made to Mr. Osmond of any land in the quarter section.

Your obedient servant,

W. J. O'Neil, Esq.,
Barrister, etc.,

Alberta.

Referring to your application for the privilege of making a second homestead, I beg to inform you that Dominion Lands Act and regulations thereunder, also land circulars, do not permit entries to be granted to, or issued to, [illegible] the right to what is known as the usual homesteading terms.

I beg to refer you to your letter of the 30th ult., enclosing application for permit to purchase the above mentioned land by [illegible] Morison, Esq.

I beg to call your attention to the fact that on the 15th of March 1921, there was paid on account, principal $45.11, and on account interest $5.14, which has been credited on your account as $51.15.

There is apparently a clerical error, the amount should be credited as per receipts as 51.15.

Kindly advise if this is not correct.

No reply has been received from you and I am to ask you to advise the Department as to what action you have taken in regard to furnishing the necessary evidence that you have been divested of all your land holdings in the "dry area". Sir,-

I beg to acknowledge your letter of the 1st instant with enclosure regarding your wish to secure a second homestead on the S.W. 21-62-3, W.5th M., which has been reserved in your favour. In reply I am to inform you that your case cannot be proceeded with by this Department and you cannot be given permission to make formal application for entry for the land you have selected, until you have furnished conclusive proof in the shape of Abstracts of Title showing that you have been entirely divested of all interest in your patented homestead and patented pre-emption (exceptin: town property) and any other land holdings you may have south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract and that the land stands in the name of some other person or persons.

If you are satisfied that your land holdings in the "Dry Area" stand in the name of some other person or persons, you should communicate with the Registrar of Land Titles at Calgary, and ask him to furnish you with Abstracts of Title showing the present standing of the lands in question and you should forward such Abstracts here as soon as you receive them. If they are satisfactory and show that you have no further interest whatever in your land holdings in the "Dry Area", your case will be proceeded with.

The Department will also require a Statutory Declaration from you setting out that you are no longer the owner of any land (excepting town property) in the "Dry Area" and a blank form which may be used for such purposes is enclosed herewith.

Your obedient servant,
